

Things You Need To Know

- If you have any doubts about **practices cancellations**, please make sure you call our information line at **(559) 784-7407**. We will post messages/announcements on the information line if we decide to cancel trainings because of weather or other unforeseen situations. If there are no announcements, the training will take place at the scheduled time.
- If you have not turned in a **copy of your birth certificate** to our staff, please make sure you turn it in as soon as possible, as we need to have it in our records for insurance purposes.
- **Monthly payments** are due every 15th of the month. Your payments are for training of the previous month. i.e. Your Nov. 15 payment is for the training provided in October. If you attend at least **2 practices per month**, you will be billed a full month training as we will not prorate the monthly charges. **When making payments please return the payment stub and/or note which month you are paying, if you are behind in payments.**
 - If you are **behind on your payments**, you will need to make **arrangements** or see what can be done about paying outstanding balances.
- We have been selling official **Chivas products** at some of our trainings. Currently we have Beanies, scarves, balls, jerseys, caps, cinch bags, backpacks, wallets ponchos, and blankets.
- **Annual registrations fees** are good thru the next August. i.e. If you register now your annual registration is good thru July 31, 2007. These dates are not set by our organization but our based around US Club Membership year. You can take time off and come back anytime, just remember that if you attend at least 2 practices, you will be billed a full month training. If you signed up last year and have not showed up to any of our practices, your annual registration is still valid.
- There has been some misunderstanding about recent "games, tournaments" which some of our members have participated as "teams". The main purpose of our academy is to "teach" our members to become better soccer players by incorporating in our practices the "Chivas Way Philosophy" in an academy setting.
 - Now with that said if there is enough interest of attending tournaments and we feel we can field a "**competitive**" team for the appropriate age level, then the players and their families will be responsible for their expenses associated with traveling to tournaments (tournament fees, lodging, etc.)
- Our official academy website is located at www.chivassouthvalley.com

Practices Time And Location

Mondays and Wednesdays @6– 8pm

Sequoia Middle School, 1450 W Castle Ave, Porterville, CA. 93257
